US Indoor Kart Driver Rankings

U.S. Driver rankings are scored on U.S. held races only, below is a breakdown of how the Driver Point Standings are accumulated for these rankings, all Rankings start with the USIKC each year and run back to that point to give a year's standings.

USIKC points are scored from first place receiving 400 points with second place receiving 398, third place receiving 396, etc. down through the field

National Races will receive 300 points for first place decreasing by two points per spot down through the field

Regional Races will receive 200 for first place decreasing by two points per spot through the field

Local Races will receive 100 points for first place decreasing by two points per spot through the field, only the best finish by each Driver at their local track per month will be counted toward the Driver Rankings
